Abhilash CP

Frontend developer

✉ abhicplash@gmail.com   ☎ +91-9562465095   📍 *Bangalore, Karnataka*

Frontend Developer with a track record of successfully delivering polished and intuitive user interfaces. Hands-on experience in crafting responsive and cross-browser compatible websites and web applications. Proficient in HTML, CSS, JavaScript and React. Seeking a challenging role where I can contribute my technical expertise, creativity, and passion for delivering exceptional frontend solutions to drive the success of innovative projects

Experience

BESANT TECHNOLOGIES   *08/2023-Present*

Software Development Trainer

- Conducted comprehensive training sessions on frontend development technologies, including HTML, CSS, JavaScript, and React
- Provided personalized guidance and feedback to students, addressing individual learning needs and promoting a collaborative learning environment.

TECHSA INNOVS   *01/2021-02/2023*

Frontend Developer

- Translated intricate designs into fully functional web pages using HTML for structural elements and CSS for styling, ensuring a seamless user interface and optimal user experience
- Orchestrated comprehensive training programs for new hires, ensuring a seamless onboarding process and equipping employees with essential skills to excel in their roles.

Project

E-Commerce Project

- Developed by using React
- Styled By using Tailwind CSS
- Pagination and navigation done by using React-router-dom
- Implemented Cart(Store) by using Redux
- GitHub Link:https://github.com/abhicplash/e-commerce

Company portfolio website

- Developed by using React
- Styled By using Tailwind CSS
- Pagination and navigation done by using React-router-dom
- Link: mechfusion.in

Skills

- React JS
- Tailwind CSS
- JavaScript
- HTML
- CSS
- Bootstrap
